## GET THE SCOOP!!

It's summertime and time to get the scoop!

Well, actually it will be a ½ gallon of Berkey Creamery Ice Cream which is one of the sweetest stops on the Pennsylvania Ice Cream Trail.

As you know, our chapter is always trying to raise funds for the Scholarship Award program to present to our local PSU students. It is through your generous donations that we can make this possible.

**For every \$10 you donate to the Scholarship Fund by September 15th, we will put your name in a hat and you could be the recipient of some delicious Berkey Creamery Ice Cream.**

We will not be able to tell you the flavor right now but, nonetheless, it will be great! We will pick a winner or two in September, yes it's still hot enough outside to enjoy these wonderful dairy delicacies. Just make sure we have your name, phone number and email so that we can contact you. Your donations can be made to the Annapolis Chapter. Go on our website to see how you can donate or just send a check.

How cool is that? So now you have the scoop!

## MEMBER SPOTLIGHT

Mario and Wendy Conti are Lifetime Members of the Annapolis Chapter. Mario is an alumni of Penn State along with their two children. At Penn State, Mario graduated with a degree in Finance. His degree led him to become a Certified Financial Planner where he worked in stock brokerage and wealth management firms. He also has sat on the Board of Directors for different financial institutions.

Mario's favorite thing about Penn State is the atmosphere as "The students are there because they genuinely want to be there, the faculty is helpful and accessible, the campus is beautiful and the long-held traditions are all reasons he chose to attend Penn State." Mario landed in Annapolis when he left his hometown in Pennsylvania after graduation to pursue the opportunities available in the DC/Baltimore Metro area. His advice for students attending Penn State is to "enjoy all it has to offer but stay focused. There is so much to experience while there but keep an eye on the goal of earning your degree."

The Annapolis Chapter of the Penn State Alumni Association has awarded over \$70,000 in scholarship money to outstanding Annapolis area students since 2004. In 2019, our chapter awarded \$7,000 to three outstanding local students.

Scholarships are based on a combination of criteria including: Academics, Extra-curricular activities, Community service/volunteer work, and Professional work as well as internships.

“Where are they now?” highlights past chapter scholarship winners on their Accomplishments after graduating from Penn State.

### EMMA CLEMENT

Emma graduated last May and spent the summer after graduation working as a water resources engineer intern in Washington, DC at Dewberry. Last fall, Emma started a masters and PhD program at Carnegie Mellon University in Pittsburgh in the field of environmental engineering with the intention of earning her Masters in 2020 and PhD in 2023.

### ANNIE WEBER

Annie graduated from Penn State in 2012 with a Biology Major and Psychology Minor. Her undergrad experience was full of incredible experiences such as being a dancer in THON her senior year, of course cheering the team on at football games and spending a week in Uganda with a small team from Bay Area Community Church serving patients with HIV/AIDS. After Penn State, she went on to be a medical student at the University of Maryland School of Medicine and is now a third year Orthopaedic Surgery resident at University of Maryland Medical Center. She lives in Baltimore, MD and continues to frequent the Annapolis area to visit family and friends. Thank you Annapolis Chapter - Penn State Alumni Association for helping make these experiences possible!

### MICHAEL MONAGHAN

Michael is finishing up his last year of law school at University of Maryland where he is specializing in Intellectual Property Law. While in law school, Michael is earning a second undergraduate degree in EE from Arizona State University. He plans to work for the USPTO while obtaining his MS in Electric Engineering with a focus in signals and communication systems.

### KELLY BANNON

When we last read about Kelly in the Spring edition, she was busy studying abroad. Now that she is back in the United States, read a continuation of her experience in Italy.

Kelly learned how business in Italy works, and why Italians do certain things differently than in the United States. Living in the northeastern United States where everyone is always go, go, go made it challenging for her to adjust to the slower pace of life in Italy, but it also was a welcomed adjustment, too. She learned through her experiences and the internship seminar that Italians make family and friends a priority in life. While abroad, Kelly participated in the IES internship seminar where she learned the importance of being adaptable and aware of cultural differences.

Kelly and her parents, Jane and Patrick, visiting her great-grandfather's hometown of Aci Castello in Sicily. This picture was taken in front of Castello Normanno (Norman Castle).

## ***Message from our Vice President ...***

### **“What is Your WHY?”**

This question was posed to a group of Penn State Alumni in attendance recently for a leadership conference –immediately, the atmosphere in the room changed from raucous “We Are” chants to one of quiet reflection. WHY did 100 people give up their sunny Saturday to get together and talk about their Alumni Chapters?

For me, the “WHY” was easy. Upon moving to Maryland four years ago from Pennsylvania, my husband & I, both Penn State alums, sought out our local chapter fairly quickly. We needed a connection to the Blue and White, in the land of red! We wanted to meet people with whom we shared a history as well as current interests – we even found kindred spirits from our childhood hometowns! Getting involved in our community, supporting our current students thru scholarships and the sendoff picnic each summer, attending social events, watching our Nittany Lions compete on football Saturdays – the Annapolis Chapter checked all the boxes!

Who else understands that nothing compares with ice cream from the Berkey Creamery? NOTHING COMPARES!

Who else gets excited when they see a Penn State magnet on a car, or approaches a stranger in a grocery store just because they are wearing something displaying Penn State?

Who else gets invited to a Chapter’s football party while vacationing in Jackson Hole, Wyoming, just because they saw a Lion sticker on their waiter’s order pad and asked about the connection? (True story!)

If you graduated this year, 10 years ago, or last century, or if you didn’t graduate from Penn State at all, there is a place for you in the Annapolis Chapter! Our membership year runs July to June, so now is the perfect time to complete your membership form on our website, and consider making a donation to our scholarship fund at the same time.

**So... What is YOUR WHY? Or, perhaps the better question is, WHY NOT?**

**Lynn Delphus ‘89**  
**Vice President, ACPSAA**

## ***Want to help the next generation of Penn Staters?***

Donations are TAX DEDUCTIBLE, so please consider the ACPSAA Scholarship Fund as a part of your charitable giving plans. Every dollar counts to help these students earn their Penn State degree! If you would like more info about the scholarship fund, please visit our chapter website.
